EXPLORE INNOVATION IN THE BALTICS WITH CIEE STUDY ABROAD

Spend your fall 2027 semester gaining real-world experience in one of Europe's most digitally connected regions with **the U.S.-Baltic Bridge Fellowship**.

Five (5) students will experience a fully funded internship with a Tallinn-based organization, while building a professional network across Estonia, Latvia, and Lithuania through company visits, cultural excursions, and community engagement.

Applications accepted until March 1, 2027.
