

“I have become more independent, more goal-driven, and more flexible. I have opened my career horizons, and opened my mind to new opportunities in general.”

- Tariq K., Tokyo Global Intern

TOKYO

OLD MEETS NEW

With a population of over 13 million people, Tokyo is a world-leading metropolis and the center of Japanese business, government, and finance. The capital of Japan is a bustling cosmopolitan city, a major transportation hub, and a world economic and industrial center.

The city boasts a large number of world-class institutions of higher education, the highest concentration of universities in Japan.

An international business center, Tokyo is also home to 76 percent of the foreign-affiliated companies in Japan. The city also ranks top in the world in number of Fortune Global 500 company headquarters.

With all these advantages, Tokyo is an ideal venue for a challenging and rewarding internship program.

INDUSTRY SECTORS IN TOKYO

CIEE Global Interns in Tokyo are placed with companies ranging from innovative start-ups to global organizations, multinationals, and NGOs in a variety of industry sectors. Sample internship placements include:

Business and Communications

Marketing, operations, market research such as:

- Brand Communication
