<b>Current Size:</b>		<b>Growth Potential:</b>				<b>Development Stage:</b>			
1. Small: 0 - 500		1. Limited: Impediments to growth (e.g. small student population, difficult visa situation, students not interested)				1. New Market: This market is less than two years old for CIEE			
2. Medium: 501-1500		2. Good: There is potential for steady growth in this market.				2. Growing: We expect numbers to continue to grow (relative to the overall market size).			
3. Large: 1501 - 3500		3. Very Good: Potential for growth in the market AND the size of the market is such that we can expect high volume.				3. Mature: We expect to see stable or decreasing student numbers.			
4. Very Large: >3500									
* Hiring via CIEE Direct is possible in almost all markets.
