Possibility of students finding a second job in the area:  Very good  Average  Difficult/not possible

### Social Security

Most students in the Work & Travel USA program are now able to receive orientation in their home countries. This means that they will be able to travel directly to their work sites and begin their programs more quickly. However, in most cases they will need to apply for social security after arriving at the work site. Many employers assist their students in the Social Security application process in some manner.

**Does your company require students to have applied for Social Security before arriving at the work site?**

Yes  No

**Does your company provide Social Security application assistance?**  Yes  No

If yes, please provide details around the type of assistance you offer (take students to Social Security office, Social Security representative on site at work site, provide directions and transport info to the nearest SSA office, etc.)

**Where is the nearest Social Security Administration office?** City/town: Newport Distance: half a mile

**How will students be paid until their Social Security Number arrives?**
