Fee Note: Meals not included in the dormitory option; dinners included in the homestay option. Inter-semester meals for students on the academic year program not included.					

Transfer Student Discounts

CIEE includes a substantial fee discount for academic year and calendar year programs in our published fees. Therefore, there are no further discounts beyond our published fees for students attending academic year or calendar year programs. Students who would like to transfer from one program to another (or who are continuing in a location where there is not an advertised academic or calendar year program fee) are offered a discount of \$1000 for transfer between consecutive semester-long programs, or \$500 for transfer between consecutive semester-long and summer or January programs. The discount is applied toward the fees for the second of the consecutive programs. This discount applies to all terms with the exception of the academic year and calendar year programs for which we have published fees. Note that the Transfer Student Discount also applies for transfers between a Service Learning program and any Study program, even if in the same location.
