

Fall 2009 CIEE Study Center Program Dates

Updated 7/14/2009

The CIEE program start date is the date on which the CIEE mandatory orientation begins and when students must arrive on site.
 The CIEE program end date (1) is the first date after classes and program activities end and that students may depart.
 The CIEE program end date (2) is the first date after exams for students taking regular university courses and students may depart. Dates are subject to change.
