

Fall 2010 CIEE Study Center Program Dates

Updated 6/09/10

The CIEE program start date is the date on which the CIEE mandatory orientation begins and when students must arrive on site.
 The CIEE program end date (1) is the first date after classes and program activities end and that students may depart.
 The CIEE program end date (2) is the first date after exams for students taking regular university courses and students may depart. Dates are subject to change.

*Tentative

**It is possible but not guaranteed that exams for regular university classes can be taken in December

***Students much purchase flexible change airfare with a low cost change fee and be prepared to change their return flight once their classes are confirmed on site.

****It is possible but not guaranteed that exams for regular University courses may be complete by December 18. If they are not, they will be complete by December 23.

*****Students enrolled in regular university courses must stay until the end of the examination period in late January.
