

Pre-Course Registration Form

CIEE Study Center in São Paulo, Brazil: Liberal Arts

Pontificia Universidade Católica de São Paulo (PUC-SP)

This form is due at time of your application. The goal of this form is twofold. First, it requires students to begin to think academically about their experience on the CIEE study center in São Paulo and to indicate courses in which they are interested to enroll at Pontificia Universidade Católica (PUC). **PUC-SP requires this document in order to issue your atestado, a required document to obtain your student visa.**

Before you arrive on-site:

- 1) Please choose seven courses PUCSP.
- 2) Refer to the link below for brief course descriptions at http://ciee.org/enrollment/pdf/SAOPAULO_SEMESTER_COURSELIST.pdf

***** When filling out the form please be sure to specify which department you are taking the course through. You will find courses with the same titles throughout the different departments. Even though the course title is the same it will cover different material depending on the department you are taking the course through. Example: Political Science II may be offered in the History Department as well as the Social Science Department, they may have the same title but they will cover different material.*****

Once you arrive on-site:

After you arrive in São Paulo, you will meet with the Academic Director, the PUC International office to finalize this course registration. Please note that this form is not a "final" course registration. You will be able to change your mind upon arrival for course selection.

Following the four-week Intensive Language and Culture program, you will register for four to five courses for the regular semester. Two courses are required: Portuguese Language and Brazilian Issues and Realities. You will choose two to three electives from among a wide variety of direct enrollment options at PUC.

Although you will only enroll in 2-3 direct enrollment courses upon arrival, it is required that you register for 7 courses at each institution in this pre-registration form. You should consult the courses descriptions found on the CIEE website in order to choose these courses.

Please note that placement in these courses is not guaranteed. You must fulfill the pre-requisites for each course. In addition, as is the case at your home university, you should realize that there might be class schedule conflicts with CIEE required courses and/or courses may fill to their maximum number of students.

INSTRUCTIONS: Only complete the information with **astericks (course titles and departments), we will complete the remainder of the form.
