

Form B: Proposed Standard Payment Plan

This plan may be used with or without the CIEE Financial Aid Deferral Plan. If you wish to combine the plans, please subtract your anticipated financial aid refund amount from your original invoice balance to calculate the base figure for your Standard Payment Plan. The charge for the Standard Payment Plan is \$100.00 per semester, to be submitted with this form.

I, \_\_\_\_\_ (Student's name) \_\_\_\_\_ (Email), request to be considered for the following alternative payment schedule. I personally guarantee payment to CIEE - International Study Programs for the program fee due for my participation in the following program administered by CIEE:

SPRING Program City & Program Name (if additional) \_\_\_\_\_

I promise to make payments towards my program fee under the following terms:

- Fifty percent of the balance due, plus the \$100.00 deferred payment plan fee (per semester if continuing), to be paid by the due date as listed on the invoice, and returned to CIEE with this form.
■ SPRING: The next twenty-five percent to be paid by March 15, and the final twenty-five percent to be paid by May 1.
■ FALL: Please visit www.ciee.org/study/terms.aspx after May 15, for the updated fall Standard Payment Plan form.

This payment plan option is not available for January or Summer term programs.

- For Calendar Year or Academic Year participants, you are required to submit a Standard Payment Plan form and the \$100.00 participation fee for each semester if you wish to continue this payment option for the second semester.

To be completed by student: Payment Plans will not be approved if any items on this form are left blank. Please make a copy of the completed form for your records.
