

Alberto Ruíz, Technical Assistant

Alberto Ruiz was born and raised in Seville and lives in Montequinto a neighbourhood in Dos Hermanas very close to Seville. A computer enthusiast, he was self-taught until he enrolled in and completed an Advanced Systems Analysis course 3 years ago. He is responsible for solving all problems related to CIEE Seville's IT systems. A avid lover of kite flying and water-sports, one of his favourite past-times is snorkelling of the coast of Cadiz.
