

Alberto Ruíz, Technical Assistant

Alberto Ruiz was born in Seville, raised in Montequinto a neighbourhood in Dos Hermanas very close to Seville and now he lives in the Alameda de Hercules the most trendy neighbourhood in Seville. A computer enthusiast, he has always been self-taught but he got his associate's degree in Management Information Systems in 2003. He is responsible for solving all problems related to CIEE Seville's IT systems. A avid lover of kite flying and water-sports, one of his favourite past-times is snorkelling of the coast of Cadiz.
