

## **Inés Muñoz, Administrative Assistant**

Inés started with CIEE in September of 2005, shortly before our move to the new CIEE Palacio. Later she again changed buildings, but very close to the CIEE Study Center. Born and raised in Seville, she obtained her degree in Business & Administration from the University of Seville. She works in our administration department along with Salva. She traveled to the States for the first time in May of 2007. During this time, she had the opportunity to study a English course in Boston and learn the American culture.

Ines loves going to the beach throughout the entire year. For her there is nothing that can compete with a nice walk on the beach.
