

Jaime Ramírez, Resident Director - Business & Society Program

Jaime Ramírez joined the Seville CIEE staff in the fall of 2004 as Program Assistant for the Business & Society Program. Two years later he took on the role as Resident Coordinator for the CIEE Seville Business & Society Program. Originally from Seville, Jaime got his degree in Business Administration at the “Universidad de Sevilla”. Before finishing his degree Jaime spent four months in the Ciee Portland Office, Maine as one of the first participants in our Internship USA program, giving him the opportunity to work closely with the staff in CIEE’s main office. In the summer of 2005 he interned at Georgetown University -Office of International Programs, and one year later at the University of Colorado at Boulder-Office of International Education. Jaime went to pursue his MBA at Instituto Internacional San Telmo (IESE) in 2008-2009 and is currently pursuing his Ph.D in Work and Organizational Psychology at Universidad de Sevilla.
