

Mike Harewood, Resident Coordinator - Teaching Development Program

Mike Harewood joined the Seville CIEE staff in spring of 2003. His studies include Advertising from Red River College in Manitoba, Canada and Modern Languages from Open University, UK. A native of Barbados, Mike moved to Canada when he was 12 where he lived until 8 years ago when he moved to Spain. A certified EFL teacher and trainer, he has dedicated his years in Spain to his passion for teaching. As Resident Director of CIEE Seville's Teaching Development Program, he continues to transmit this enthusiasm for teaching to future second language teachers. Having gotten to know the "Sevillanos" through his years of teaching English, he strives to generate this same kind of integration in as many CIEE Seville's student participants as possible. He is a wonderful addition to the CIEE team.
