

Nancy Merchant, Student Services Coordinator and Resident coordinator for Gap year Seville.

Nancy became a part of the Sevilla Ciee staff in 1993. She works with both the study abroad and the gap year students. Her job tasks varies from homestay placements to organizing high school encounters. Being from a bi-cultural household, Nancy has had the opportunity of living and studying in Spain and the United States. This knowledge has given her the upper hand in working with students as well as Spanish homestays. Nancy enjoys her job with Ciee and looks forward to many more years to come
