

Abraham started with CIEE in 2000 as a "guide" in the orientations. Born and raised in Seville, he studied Audiovisual Communications in "Facultad de Comunicación" here as well. He joined the Seville CIEE staff in December of 2008. He loves going to the beach throughout the entire year, and enjoyed the "night life" in Seville. He loves a lot good Art and good Music. He specialized in audiovisual production and editing videos. A lover of the good moments with a good people in a good place.
