

Nancy Merchant, Student Services Coordinator

Nancy Merchant became a part of the Seville CIEE staff in 1993. She started out as a receptionist and later became the Housing and Medical Coordinator. Nancy was raised bilingual in Massachusetts, and spent many summer vacations in Sevilla visiting family. For this reason, she decided to stay and study Tourism in Sevilla. With the knowledge that Nancy has of both countries, she has become very in-tuned with CIEE students as well as with the host families.
