

“One of the greatest things I came away from this internship with is the inspiration and skills to start my own business - something I have always been interested in but have not gone through with. I realized that I am capable of it, especially with the tools and connections I have made. I now feel I have a home in South Africa.”

- Leah K., Cape Town Global Intern

# CAPE TOWN

INSPIRING NEW WAYS

Cape Town is home to natural beauty, diverse landscapes and people, and a rich business culture. With 11 national languages, Cape Town boasts a diverse environment for cultures from around the world. Known as "The Mother City", Cape Town serves as the entry point to Southern Africa, housing regional headquarters, nonprofits, and NGOs.

Student internship opportunities are abound here in a spectrum of sectors from social entrepreneurship to finance to medicine.
