TAKE YOUR CLASS TO PRACTICE SPANISH IN THE GORGEOUS CAPITAL CITY OF ANDALUSIA.

Go deep into this vibrant center of culture, in Spain's beautiful Andalusian region. Seville is home to three UNESCO World Heritage Sites and is rich in cultural history. The Seville Cathedral, one of the three largest churches in the world, is a must-see. The 15th-century building, which sits on the former site of a 12-century mosque, is the final resting place of Christopher Columbus.

Throughout your stay, practice speaking Spanish in shops, markets, and cafes. You'll also explore the city with tours led by CIEE staff and local professors.

Enjoy your favorite tapas during nights out; dance the flamenco during a cultural class or spend an afternoon touring churches, cathedrals and other architectural gems; stroll along the scenic Guadalquivir River or relax along the banks while taking in the local rowing culture. Mingle with peers and meet Spanish high school students through organized activities.

You'll also spend quality time with your host family, practicing your Spanish as you prepare and share meals, shop at local markets, learn local customs, and enjoy everyday family life in a different country, far from home.
