BRING YOUR CLASSROOM TO LIFE – ABROAD
CIEE MISSION
CIEE’s mission is to help students gain understanding, acquire knowledge, and develop skills for living in a globally interdependent and culturally diverse world. We focus on faculty to focus on what they do best – teach.

WE DELIVER
CIEE provides you the tools and services needed to plan and deliver academically rigorous and culturally rich faculty-led and custom programs in locations around the world. We work in partnership with you to create the highest quality program that not only meets your academic requirements and timeline, but also offers a truly immersive experience for your students. Our team can cover everything from on-site safety and security protocols to itineraries, guest lectures, and site visits.

START PLANNING
Start planning your faculty-led & custom program based on your academic discipline. Some past program themes include:

• Archeology
• Business
• Communications
• Engineering
• Environmental Science
• History and Culture
• Intensive Language
• Interdisciplinary Studies
• Latin American and Latinx Studies
• Marine Science
• Service-learning

EXAMPLE PROGRAMS INCLUDE:

• Immersion Experience in Applied Economics and Policy in Warsaw
• EQUITY Scholars in Buenos Aires
• International Relations, Arts, and Multilingual Studies in Tokyo

• Equal Opportunity in Engineering, Development and Leadership
• Culture, Media, and Social Movements in Dakar
• Maritime Studies in Sharjah

“the fact that CIEE had personnel on the ground that could assist us was great. The speakers and guides were great. It was a pleasure to have the liaison with us to address the cultural and few language barriers.”

Facility, Anderson State University, Cape Town

CIEE brings grants and scholarships annually to students of diverse academic, ethnic, and economic backgrounds. To learn more about our $20,000 Generation Study Abroad Access Grant, go to: ciee.org/faculty-led-study-abroad

Your Campus
Your campus is connected to offering more study abroad opportunities for faculty, students with disabilities, students of color, and other underrepresented groups. Developing a customized program to address your unique needs supports your campus’ goal of increasing diversity in internships education.

CIEE DIFFERENCE
CIEE provides a global network of study centers, resident staff who are experts in their academic fields, and have experience running more than 500 established study abroad programs. Apply our resources, expertise, and infrastructure to create faculty-led and custom programs that meet your unique and rapidly changing needs of your students.

ACADEMIC QUALITY
From Beijing to Buenos Aires, the world is your classroom. Work with our onsite staff – locals, to create a quality academic and cultural experience.

PEACE OF MIND
Your students’ safety is our number one priority. Our staff – experts in security and safety protocols are trained for contemporary security situations. Not to mention, our comprehensive travel insurance will have you and your students covered.

LOGISTICS SUPPORT
We handle the details, from scheduling excursions and guest lectures to booking housing and transportation. This frees you to focus on what they do best – teach.

A WORLD OF OPTIONS AWAITS

PICK YOUR CLASSROOM

We can develop faculty-led and custom programs in any of the cities around the world where CIEE has a study center. Our full-time staff is there to connect you and your students with the local culture. Let our team help you and your students have the intercultural educational experience of a lifetime!
“CIEE did an incredible job of anticipating our every need, which made for an all-around fabulous experience in both Berlin and Budapest. They could not have been more helpful or professional.”

– Faculty, University of Tulsa, Berlin and Budapest

Founded in 1947, CIEE is the world leader in international education and exchange, delivering the highest-quality programs that increase global understanding and intercultural knowledge. We provide participants with skills, competencies, and experiences that elevate their ability to contribute positively to our global community.
