## SKILLS AND INTERESTS

### Language Skills

I am proficient in English, French, and German.

Please describe any swimming experience you have.

I enjoy summer vacations to the oceanside with my family where I swim often. I am comfortable swimming in oceans, lakes, and pools. I do not have any experience as a lifeguard.

Do you prefer to work alone or in a group? Why?

I prefer to work alone because I am an independent person, but recognize there are times when teamwork is required and am always a flexible team player.

How do you best learn a new task?

I learn best by doing! I prefer to dive right into a new task and receive feedback as I learn.

What will be your greatest challenge in the U.S.?

My greatest challenge in the United States will be living away from my friends and family for the first time. I am excited to meet new friends, become a bit more responsible, and learn to cook food at home!

What are your hobbies?

I spend time with friends and enjoy going to movies, playing sports, and reading books when I'm not studying at university. I am looking forward to seeing a baseball game in the United States!

Have you ever visited the U.S.? **Yes**
