5 STEPS TO MAKE STUDY ABROAD HAPPEN

Whether you’re a freshman just beginning your search or a senior contemplating life after graduation, it’s important to include study abroad in your college career. Here’s how to make it happen:

1. **Visit the study abroad office on your campus**
   Find out which programs are approved by your school, so you know what your options are.

2. **Meet with your academic advisor**
   They’ll help you create a solid study abroad plan that advances your academics and keeps you on track for graduation.

3. **Explore your options**
   Talk to your CIEE admissions coordinator about your path to studying abroad including direct enroll, Open Campus, internships, and more.

4. **Get your application started**
   In under an hour, you can take the first step toward an amazing, life-changing study abroad experience.

5. **Apply for scholarships & grants**
   In less than a minute, you can complete our need-based scholarships and grants application and in just two weeks, learn what you’re eligible to receive. Be sure to meet with your campus financial aid office as well.
