

Dear Student,

Welcome to Company A! We're excited to have you join our team this season. Please read this email carefully; it is full of information you need to have a successful stay in the United States.

You will be working at one of America's best amusement parks. With all of our great rides, games, food, and shows, there's always something fun going on. Being part of our team gives you the chance to see those things firsthand. Our team members always have a great time while working, and are responsible for making sure our guests have the time of their life.

We also want to tell you a little bit about our community. Our people are looking forward to meeting you and sharing their culture with you while, at the same time, finding out all they can about yours. You'll also find plenty to interest you outside of work. Our community is home to several sports teams, parks, attractions and a wonderful downtown area to explore. A short trip can take you to some of America's greatest landmarks and cities, from the historic Space Coast where missions to the moon and Mars were launched, to the color and excitement of Miami. If there's anything in particular you'd like to see and do, just ask!

Housing

You'll receive an email in the next two weeks with more details about the housing we will be arranging for you. You must live in the company-arranged housing throughout your stay with us.

Your housing cost will be \$70 per week. This will be deducted from your weekly paycheck. Your rent includes utilities and high-speed Internet. It does not include meals. Please bring enough money to pay your \$100 housing deposit upon arrival.

You will be sharing your room with one or two other people of the same gender. If you would like to request a particular roommate, you must send me an email no later than Friday, April 19. Requests are not guaranteed. Couples are not permitted to share rooms.

Getting Here

The closest airport to us is in Orlando, Florida (MCO). You will probably have to fly into a different U.S. city and then take another flight to Orlando.

You will receive detailed travel instructions about one month before you are scheduled to arrive. Please contact us if you need information before this time.

As long as you follow our travel instructions, we will be happy to pick you up from Orlando (MCO) airport.

The First Few Days

The day after you arrive, you'll be free to get settled and explore our amusement park. The next day, you'll complete paperwork, attend orientation, receive your uniform, and get your training schedule. Training is paid and takes two to four days.

What to Bring

We will provide your uniform, and you need to bring your own all-white or all-black shoes. There is no cost for your uniform, but it must be returned when you leave.

It could take up to two weeks to receive your first paycheck, so bring enough money for those two weeks, including money to cover cost of travel from the airport to Company A.

Please send me an email if you have any questions or if you're not sure what to do next. If you have questions about program rules or requirements, please contact your agency.

I look forward to having you on our team!

Kind regards,

Your Employer
