Imagine summer soccer in Tanzania – with a mission to empower young girls. Or squad time perfecting your French with croissants in a magical Parisian park. What if summer outside meant reforesting mangroves and tracking endangered birds in Costa Rica?

Your CIEE summer abroad could be any of these. Choose from 50+ adventures rooted in language, service, or intriguing topics like filmmaking or marine science. Set out for three or four weeks of hands-on learning, eye-opening group excursions, and fun activities that deeply immerse you in local culture, and seize a summer you’ll never forget.

“I had the best summer ever! Not only was I able to immerse myself into another culture, language, and country, but I also created friendships with amazing people.”

— Jazmin F., Ferrara, Italy, Global Navigator alumna

CONSIDER A SCHOLARSHIP

CIEE’s competitive Global Navigator scholarships help over 1,200 high school students like you study abroad each summer. If you’re a U.S. citizen or permanent resident, a current freshman, sophomore, or junior in a U.S. high school, and have not previously accepted a Global Navigator scholarship, you’re eligible!

Students can qualify for one of two types of scholarships. *“Merit Only” scholarships* award 10% off tuition to students with outstanding academic performance. *“Merit and Financial Need” scholarships* award from 10 to 100% off program tuition. Airfare is not included.

DON’T MISS OUT!

Small-sized groups are part of what makes the CIEE experience special. It also means our most popular programs fill fast!

If you are not relying on a scholarship, make sure to complete your application as soon as possible to secure a spot on your favorite program. Applications without scholarships are reviewed on a rolling basis.

**Priority scholarship deadline:** Submit on or before this date for the best chance of getting a scholarship. We award 80% of our scholarship funds to applicants who meet this deadline.

**Final scholarship deadline:** Last chance! Applications received on or before this date are eligible for our remaining scholarship funds.

If you are applying for a “Merit Only” scholarship, you can pay your deposit before the official deadline to secure a spot on your favorite program.

GET THE CIEE ADVANTAGE

With a CIEE program, you’re completely immersed in your host country culture – not a tourist on the sidelines. Concepts you’ve covered in school come to life when you apply them to real places you can experience with all five senses. You’ll return home more independent, more confident, and even more curious.

As one of the largest U.S. nonprofit organizations dedicated to study abroad with 70+ years of experience, we leave nothing to chance. From curriculum to safety, we shape your entire experience by owning and operating each of our 65 study centers worldwide and aligning programs with high school learning standards in foreign language, science, and service.
