Dear Ms. Mitchell,

I am writing to express my interest in an internship with Marketing 123. I graduated in 2015 with a Marketing degree from the University of Vienna, and I am currently working as an Online Marketing Coordinator for Weber Maxl & Partners, a law firm in Vienna. I am seeking an internship at your company to learn about the U.S. market and your unique marketing research strategies.

In my previous positions, as a Marketing Intern at Passagen Verlag and as a Field Marketing Coordinator for Reindl & Company, I had the opportunity to use my education while gaining new skills. In both cases I worked as part of a team where my communication skills and calm approach to solving problems were appreciated. As an Online Marketing Coordinator I am learning valuable search engine optimization skills, which will make me a more competent marketing professional in a variety of settings.

CIEE, a visa sponsor designated by the U.S. Department of State, will facilitate the visa process. I will be on a J-1 Exchange Visitor Program which allows me to legally train in the U.S. for up to 12 months. CIEE will support us throughout the internship. More information on CIEE's J-1 Intern/Trainee programs can be found on their [website](#).

An internship at Marketing 123 would allow me to broaden my horizons even further and deepen my understanding of the field of Marketing. I believe I would be an energetic and positive addition to your team. I am hoping to begin an internship in September 2016 and I would welcome the opportunity to speak with you. I can be reached at 617.555.1343 or via email.

Sincerely,

Erich Kraus
