

CIEE Study Abroad Student Testimonials:

These are actual quotes from students who've gone on a CIEE Study Abroad program. Use these quotes in emails, on flyers and in presentations to add credibility and interest. (For privacy reasons we've deleted the name of the actual student.)

"My study abroad trip was a great experience that offered more than just gaining a class credit. Going abroad with this program allowed me to compare business in the Netherlands with the U.S. which in return, will help my future career." CIEE Study Abroad Student '17

"The experience was life changing." CIEE Study Abroad Student '17

"It was educational and challengingly transformative." CIEE Study Abroad Student '17

"My experience with CIEE was life changing. Not only did I personally grow, but I have been successful in my professional career in big part to my experience with CIEE." CIEE Study Abroad Student '16

"Set me on a lifelong path of travel. I later became a US diplomat." CIEE Study Abroad Student, 06

"The program I went through at CIEE continues to impact my life 10 years later." CIEE Study Abroad Student, 07

"My CIEE experience pushed me to critically think about the communities that I am a part of back here in the states and my identity as an American." CIEE Study Abroad Student, '15

"I learned a valuable lesson, that it should be to everyone's interest to see what is going on in other countries and not just where you are living. I learned to broaden my perspectives and think outside of my selfishness in some extent." CIEE Study Abroad Student, '16

"The skills I cultivated during my CIEE experience helped me to get a Fulbright scholarship and to return to the country where I participated in my CIEE program." CIEE Study Abroad Student, '15

"Because of the CIEE program, I have been inspired to do more international research and was encouraged to apply to the Fulbright Program. I received a Fulbright Grant to Austria last year ... " CIEE Study Abroad Student, '13
