

Enter to Win a Summer Internship!

The GIC Student Challenge Competition

Join more than 120 college students across 30 teams from around the world to solve a real challenge presented by one of CIEE's industry partners. Gain valuable skills, expand your professional network, and open the door to international career opportunities.

Finalists in the student challenge case competition will earn an **all-expense-paid trip to Berlin** to present at the 2023 Global Internship Conference. The winning team will receive a 2024 CIEE-facilitated global summer internship!

Registration now open through March 31, 2023!

- **April 17-21, 2023**
Round 1 Competition (Virtual)
- **June 21-23, 2023**
