Combine study abroad with a part-time internship for additional personal and cultural perspective.

After completing an intensive language course, you'll do 100-120 hours of immersive Spanish internship work in Seville or Barcelona.

Complete a part-time summer or semester internship in the heart of the EU or supplement semester study abroad with an internship in more than 25 cities around the world.

CIEE is not only the leader in study abroad, we're the industry leader in scholarships and grants, too! Every year, we award funding and free airfare to more than 2,000 students via MSI grants, Gilman Go Global Awards, and more.

"Being an **intern in Berlin** was incredible. The city is an island of diversity, hosting various identities, cultures, and experiences for foreigners and natives alike. It provided countless opportunities – not only in film, but in all things creative."
