# OPEN CAMPUS BLOCK A PROGRAM AS UNIQUE AS YOU

**ciee**<sup>®</sup>  
STUDY ABROAD

Instead of fitting yourself into a study abroad program, **let's build a program that fits:**

- ★ YOUR SCHEDULE
- ★ YOUR DESTINATION(S)
- ★ YOUR PASSIONS

Only CIEE – the world's leader in study abroad – has the connections and credibility to build it.

With CIEE's Open Campus Block program, you design every detail of your journey – from when and where you'll go to how long you'll be there and what you'll study. All without missing the cultural experiences or logistical support of a traditional program.

CIEE Open Campus is truly **yours by design.**

CHOOSE WHEN YOU GO

- **Spring, summer, or fall**, it's your call!
- Our program follows a **U.S. semester calendar**, even if your destination city doesn't. Spend an entire semester in one place or additional blocks in other cities!
- Is your school on a quarter system? Select the quarter that works best for you by combining our Open Campus Blocks with our summer program sessions.

► **SPRING**

► **SUMMER**

► **FALL**

CHOOSE HOW LONG YOU GO

Choose one, two, or all three consecutive six-week blocks! Spend just one block living in an amazing city or travel onward and spend a second (or even third) block in another Open Campus Block city around the world. (Or, stay in the same city for all three blocks!) Whatever you choose, **it's yours by design.**

CHOOSE WHERE YOU GO

Our Open Campus Block programs are offered in **17 incredible cities around the world!** No matter where you travel, you'll be in the center of it all.

Berlin	Kyoto	Monteverde	Singapore
Buenos Aires	London	Paris	Shanghai
Cape Town	Madrid	Rome	Sydney
Copenhagen	Milan	Santiago	Yucatan
Dublin			

With CIEE's Open Campus Block program, there's always something new to discover. Cheer on your favorite sports team at live events with locals. Travel to scenic and historic places outside the city. Taste-test traditional cuisine and learn local recipes. See the sights and hear the sounds that make the city unique. Bring your classwork to life by living and learning in the city where you'll **make memories to last a lifetime.**

CHOOSE CLASSES IN ENGLISH AND FOR CREDIT

Classes are taught in English in U.S.-style classrooms within our beautiful Open Campus Block centers. You'll select two six-week courses per block that cover a semester's worth of content so you'll return to campus with credits and confidence.

CHOOSE AN INTERNSHIP AND GIVE YOUR RESUME A BOOST

Spend one of your blocks gaining international work experience during a **once-in-a-lifetime internship** to boost your chances of a great job offer after graduation. Or conduct a research project to round out your trip and diversify your resume.
