

The Scan Design Foundation Environmental Sustainability Internship

THE FUTURE OF THE PLANET STARTS WITH YOU – IN DENMARK

Intern at the forefront of global sustainability on CIEE Study Abroad's new Scan Design Foundation Environmental Sustainability Internship in Denmark!

Eight (8) students will be selected for a transformative 8-week, fully-funded internship in Copenhagen, one of the world's most innovative sustainability hubs. Expand your global network and help shape solutions to today's greatest environmental challenges.

From May 19 to July 12, 2026, you'll:

- Intern with a Copenhagen-based company advancing environmental sustainability
- Network with environmental leaders, innovators, and sustainability experts
- Immerse yourself in Danish culture and compare U.S.–Denmark approaches to solving environmental challenges

All eligible applicants not selected for this exclusive internship will receive a \$1,500 grant toward any CIEE summer or semester program through summer 2027.

Applications will be accepted until November 21, 2025. The 2026 cohort will be announced in mid December.

Program costs and airfare included.

ELIGIBILITY REQUIREMENTS

Applicants Must:

- Be a current undergraduate or graduate student at an accredited institution, returning in the 2026-27 academic year
- Have a minimum GPA of 3.0
- Be a U.S. citizen, U.S. national, or permanent resident
- Be Pell Grant-eligible
- Demonstrate interest in environmental and sustainability fields
- Submit a complete application by November 21, 2025
