“There are programs like this one where you can go and you can take the classes, and you don’t have to worry about falling behind. You don’t have to sacrifice that opportunity because you wanted to be an engineer.”

– **PARKER BATTIN**
Aerospace Engineering,
UCLA

STUDY ABROAD

The **Council on International Educational Exchange (CIEE)** is the country's oldest and largest nonprofit study abroad and intercultural exchange organization. For more than 75 years, CIEE has helped thousands of students study abroad on 500+ programs in 45 distinct cities worldwide.

Arizona State University

Arizona State University is Arizona's first higher education institution. Since 2006, ASU has offered thousands of online courses that students can access anytime from anywhere in the world.

Study Abroad Anywhere, LEARN EVERYWHERE

Every student has unique academic goals, schedules, and obligations. To ensure all students can study abroad and enroll in courses that promote on-time graduation, CIEE and ASU have partnered so you can take online courses.

This flexible curriculum option allows you to complete online coursework delivered asynchronously by ASU at a pace that works best for you while studying abroad wherever you desire with CIEE – **included in the cost of your CIEE program fee!**

Open to all Undergraduate Students attending a U.S. College/ University*

ASU Courses are delivered Asynchronously, 100% Online

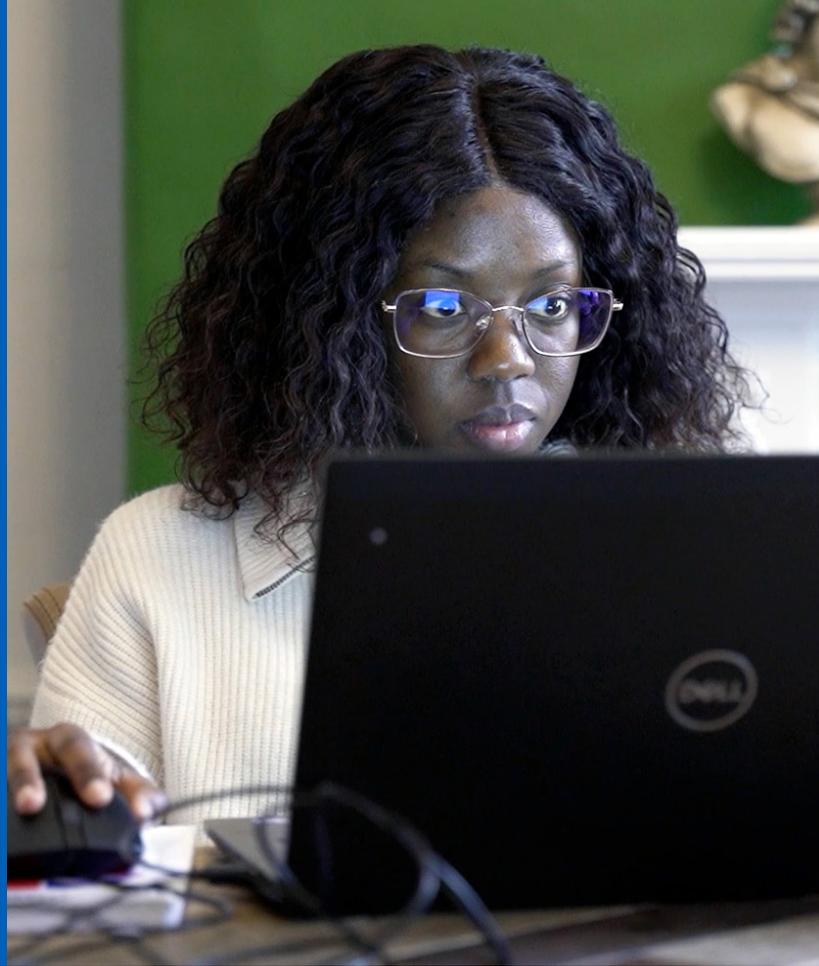

Choose from 5,000+ Courses Across ASU's Online Catalog

**Confirm with your home institution that ASU online credits will transfer*

GO FURTHER Abroad with Online Learning

Online courses unlock more of what study abroad can offer: The flexibility to learn when and where it works best for you, self-paced coursework, and access to thousands of classes that align with your academic goals and interests.

With online learning, you can supplement your in-person study abroad experience with high-quality CIEE x ASU online courses that extend your learning beyond the classroom – anywhere in the world!

50%

of U.S. undergrads take at least one online course

73%

of CIEE students taking online courses are STEM or Business majors staying on track to graduate

First Generation Students and Pell Recipients

are more likely to enroll in online courses, increasing study abroad access for more students

Online Learning FAQs

Explore common questions and learn how CIEE x ASU delivers a flexible, world-class online learning experience.

Is ASU accredited?

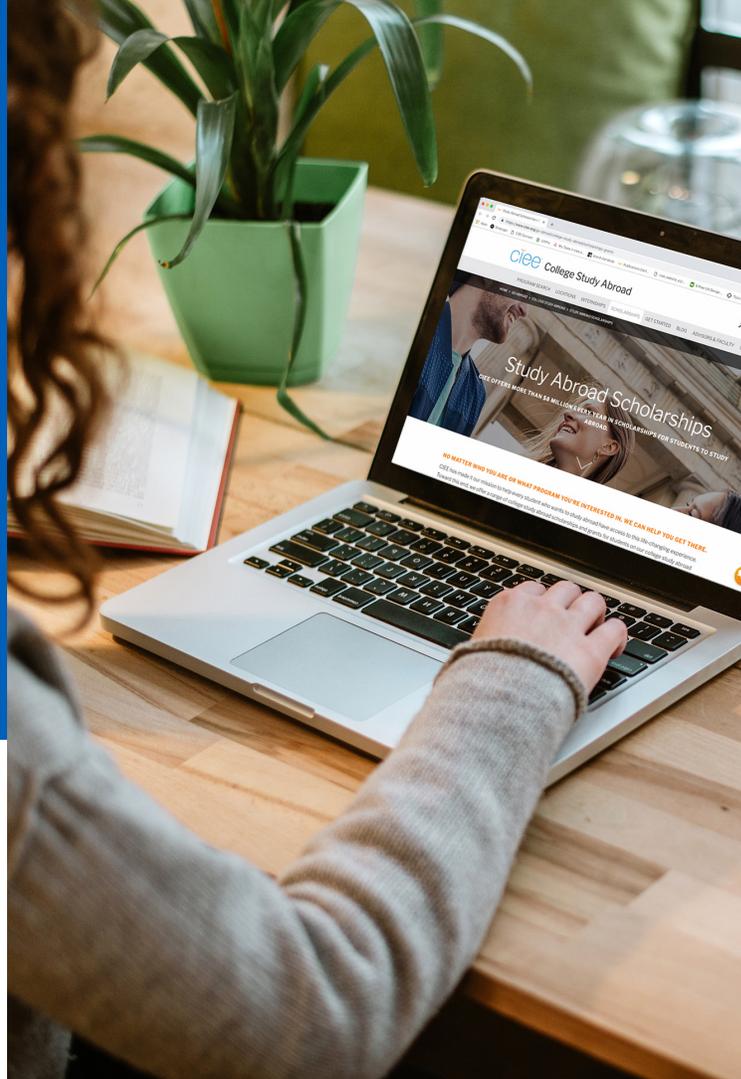

YES. ASU is regionally accredited to offer all its online courses nationwide via distance education. This means that earning credits through ASU prepares you with the same quality education no matter your chosen modality.

Are ASU courses transfer-friendly?

YES, ASU courses are transfer-friendly to support you as you take the next step in your education. Credits earned through ASU's online coursework will transfer to your home institution.*

How does online learning support study abroad?

Online courses expand your access to classes you might not otherwise be able to take, helping you stay on track while abroad. **Powered by 200+ technologies,** ASU's online learning platform delivers high-quality courses through a user-friendly interface, accessible anywhere in the world.

Am I still eligible for financial aid?

CIEE Study Abroad awards *millions* in scholarships and grants every year! To see if you qualify, submit a completed CIEE application. CIEE will review your application and award you with any funding you may be eligible for in the form of:

- **Need-Based Grants:** Offered to students with demonstrated financial need
- **Merit-Based Scholarships:** Offered to students with strong academic achievement
- **Other Scholarships:** Offered to students based on CIEE alumni status or specific program choice.

Chart Your COURSE

ASU courses can be added to any CIEE Study Abroad program! Whether you want to study sustainability in Costa Rica or accelerate your Spanish language skills in Spain, you can align ASU's online courses with your program requirements across all major academic subjects, including:

“I wouldn’t be able to study abroad if it wasn’t for ASU. I’m taking a taxes course, which they don’t offer in the spring semester at Merrimack, so being able to do it here really opened up the window to do that.”

– **EVAN HANNIBAL**
Accounting, Merrimack College
