

CIEE's 80th Anniversary Fund for Global Engagement

Celebrate 80 Years of CIEE with \$10 million in New Scholarships

Since 1947, CIEE has advanced peace by building bridges of mutual respect and understanding between people, nations, and cultures through study abroad and intercultural exchange programs. At a time when the world feels increasingly divided, CIEE's mission is more important than ever.

Join us in raising \$10 million for new scholarships which will open doors for more students to study or intern abroad, build cross-cultural understanding, and develop the skills our world needs most.

Rabat, Morocco

Together we will open doors for more students to access life-changing global experiences and advance peace in our world.

OUR GOAL: Raise \$5 million in donor support to be matched for a total of \$10 million for 1,000 new study abroad and global internship scholarships

WHY IT MATTERS: Only 2% of high school students and 6% of college students study abroad — most are held back by cost

HOW YOU CAN HELP: Make a gift to remove financial barriers and open the world to more students
