INTRODUCING FOUR NEW CENTER LOCATIONS

BEGINNING SPRING 2027

cīee | BRUSSELS

- Global hub for governance and diplomacy
- Headquarters of the European Union and NATO
- Ideal for students interested in politics, international relations, and policy

cīee | OSAKA

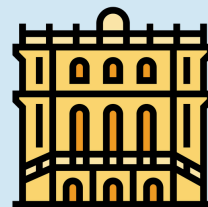

- Japan's third largest city emphasizing trade and innovation
- Extensive internships in manufacturing and technology
- Ideal for business, engineering, and applied science majors

BEGINNING FALL 2027

cīee | BANGKOK

- Thailand's cultural and economic capital
- Dynamic environment for academic and cultural exploration
- Ideal for business, finance and sustainable development majors

cīee | VIENNA

- Dynamic city in the heart of Central Europe
- World's classical music capital and home to the United Nations and OPEC
- Ideal for business, global affairs, sustainability, and humanities majors
