Study Abroad Grant Opportunity for Your Students

We hope a student from your institution will be part of the 2027 Douglass-O'Connell Global Internship cohort. However, even if they are not selected, all eligible applicants will receive a \$1,500 grant that can be applied toward any CIEE summer or semester program through summer 2028. Pell-eligible students may also receive the GAIN Travel Grant, which provides up to \$500 toward airfare.

Below is a sample of other CIEE Summer Global Internship programs that give students the opportunity to gain real-world work experience abroad.

Summer Global Internships

EDINBURGH, SCOTLAND | \$7,450

Students can intern abroad in Edinburgh, Scotland's capital and a hub for business, finance, and innovation. Home to financial services organizations, technology firms, and educational institutions, Edinburgh offers opportunities to gain professional experience and insight into Scottish workplace culture while developing skills across industries.

LISBON, PORTUGAL | \$7,450

Students can intern abroad in Lisbon, a global center for business, technology, entrepreneurship, media, and design. As one of Europe's leading startup ecosystems, Lisbon offers opportunities to gain international work experience and develop professional skills through placements with startups, organizations, and businesses.

PRAGUE, CZECH REPUBLIC | \$7,450

Students can intern abroad in Prague, the Czech Republic's political, cultural, and economic hub. Located in one of the European Union's most prosperous regions, Prague offers opportunities to gain professional experience while building technical and professional skills, including intercultural communication, networking, and teamwork.

SEVILLE, SPAIN | \$7,950

Students can intern abroad in Seville, the capital and largest city of Spain's Andalusia region. As one of Spain's key economic and cultural centers, Seville offers opportunities to gain professional experience across diverse industries while developing valuable technical and professional skills.

Summer Global Internships

PARIS, FRANCE | \$8,450

Students can intern abroad in Paris, France's economic center and cultural capital. Home to more Fortune 500 company headquarters than any other European city, Paris offers opportunities to gain professional experience across startups, businesses, and industries while building technical and professional skills.

BERLIN, GERMANY | \$8,950

Students can intern abroad in Berlin, Germany, a city known for innovation, creativity, and entrepreneurship. Students gain professional experience across diverse industries within one of the world's leading economies, while also having opportunities to engage with Berlin's cultural and historical offerings.

LONDON, ENGLAND | \$8,950

Students can intern abroad in London, England's economic, political, and cultural hub and one of the world's leading financial centers. This internship offers opportunities to gain professional experience with a British organization aligned with students' career interests while building technical and professional skills applicable across industries.
